BRIEF ABSTRACT OF LETTER.

States, with reference to G.O. No. 3110-12/Mug: 696-15-1185/3/21, that Sahasranamada Lakshmi Narasimhachar, ~~has been~~ one of the vrittidars, has been paid the arrears of vritti amount due to him from 1886 to 1894 viz, Rs 468-11-5, as directed in G.O. No. 797-8/M.7. 31-94 & 25-12-90 and that nothing more is due to him for the period in question —

NOTES AND ORDERS.

As the vrittidar in question had built a house on the site allotted to him at Seringapatam and was living in it, the Dy: Comr was requested in para 2 of G.O. No. 3110-12/Mug 696-15-1185-3-21, to submit for sanction a bill for the one ...

of vritti amount due to him for the period 1886 to 1894. The D C now reports that no amount is due to the vrittidar for the said period, as the amount due viz Rs 468-11-5 has already been paid.

2. From the statement of income and expenditure of the charities upto 1917-18 furnished by the D C it will be seen that the vrittidar in question has been paid Rs 468-11-5 for the period from 1886 to 1907-08 and not from 1886 to 1894 as stated in the letter; and ~~not only that~~ in addition, he has been paid Rs 500 for the period from 1908 09 to the end of 1917-18. Thus, he has been paid on the whole Rs 1368-11-5.

3. Sumati Anantachar, the other vrittidar, who has built a house, has also been paid (Rs 468-11-5) + (Rs 500) = Rs 968 11-5.

4. ~~See~~ The statement shows that 7 vrittidars have recd more than Rs 468-11-5 and that one has recd Rs 234-5-7.

The point how amounts in excess of Rs 468-11-5 have been paid is not clear.

28. The petr is a representative of one of the Vrittidars who were granted vrittis by the late Nawab Krishna Dass from Certain Devadaya Inam villages granted to him for the benefit of his charities. Owing to the Charities having fallen into desuetude; the Inams were resumed by Govt- in July 1894. If nothing more has been done, all subordinate tenures created by Nawab Krishna Dass would have been extinguished & the vrittis along with them. Thus G.O. 6 of 1898 stating that vrittidars are entitled to the proceeds of their vrittis only up to July 1894 is based on this view.

29. But there is another order of Govt- rebutting the above view. In case of Cir the G.O 6 of July 1894 issued, the vrittidars complained to the Dewan, and another G.O. was issued by 2/4-12-1894 to the effect that "The Govt will consider favourably the question of restoring to them (the vrittidars) the vrittis or their equivalents, after they build their agrahar houses in a locality approved by the D.C & otherwise Conform to the Conditions of the original grant."

30 The petrs present contention is

NOTE—Contn. sheet.

Serial No.

that he has built a house on the site allotted to him by the D-C and is living with, that thereby he has fulfilled the Conditions laid down in the G-O of Decr 1894, and that ~~he may be~~ this vritti or its equivalent (i.e the proceeds of the vritti) may be restored or paid to him.

Hag G.

Cap G.

31. In the G.O of 6th March 1921, it has been held that the petr has conformed to the Conditions laid down in the G-O of ~~1894~~ Decr 1894. But that order allows only the arrears of vritti amount up to 1894 to be paid to him.

32. The point for order now is "What is the restoration of the Vritti or its equivalent promised in the G-O of Decr 1894? Is it merely the arrears of Vritti amount which accrued prior to date of resumption? Or does it mean that on the Vrittidars Conforming to the Conditions, the Vritti or their equivalent would be restored to them for the future also? The latter would appear to be the proper view.

G

33 But ~~the Govt~~ Mr. Jeyaramaiyer held the Contrary view relying on the G.O of Decr 1894 (vide para 96 of the notes in Mmz: file 696 of 1915. And it has been approved by Govt. Their G.O of March 1921 A reference to my

to para 101 of the Jeyaraman Iyer's notes would show that he was not quite clear on the point & that paras 96 & 107 contradict each other in a way.

34. In para 101, the Jeyaraman Iyer raises the point i.e. whether the conditions of the G.O. of Dec^r 1894 could be construed as conformed to until all the Vrittidars had built their houses i.e. until all the 12 houses had opening up into the Agraharam.

35. As regards this point, kind refer is invited to note 2 to para 271 of the new Rev. Manual. It is only defaulting Vrittidars that should be punished & not all. On the same analogy, a Vrittidar who has conformed to the conditions has to be given his Vritti or its equivalent according to promise & not refused his Vritti until other defaulting Vrittidars also conform to the conditions.

36. Secondly, a Vrittidar has either conformed to the conditions of the G.O. of Dec^r 1894 ~~to Cocoa~~ or he has not. He cannot be held to have conformed to these conditions for one purpose in para 96, and to have not conformed to them in para 101. Doubtless, the latter has not fulfilled the conditions within the time limit but must have complied with them for order

NOTE—Contn sheet.

in the G. O. of December 1894.

41 Having regard to the terms of the several orders passed by Government on questions relating to these Vritties from time to time, and to the circumstances under which the order of December 1894 was passed, I am of opinion that the aforesaid Expression does not refer to the arrears of Vritti amount which accrued up to the date of resumption, but to the Vritti itself or its Equivalent.

42 The claim of the Vrittars to the arrears of Vritti amount which accrued between 1886 & 1894 has been recognized by Government in their order of December, 1898 and is one to which the Vrittidars were entitled, as rightly conceded by Government, and this cannot have anything to do with the restoration of the Vritties themselves. The latter is a matter which

is absolutely within the discretion of Government. They have held out hopes to the Brittidas that if certain conditions are fulfilled they would favourably consider the question of restoration of the brittis and it is incumbent for the Government to consider, having regard to the circumstances of each case, whether the conditions have been fulfilled & whether the case is one deserving of favourable treatment. It is evident that the conditions have not been fulfilled within A the time limit fixed & no party can presume, claim anything as a matter of right. It is also a question of sympathy.

Sir,

Adverting to para 2 of C.O.No.5110-12 Muz.696-15-11 dated 5th March 1921, calling for the submission of a bill for arrears of Vritti amount due to Sahasranamada Lakshminarasimha Char from Nowl Krishnadeva Charities, for the period from 1886 to 1894, I have the honor to state that no recommendation was made in this office letter No.C.316/19-20 dated 24th February 1920 in the matter of payment of the arrears of Vritti amount to the above individual for the period referred to in the Government Order under advertance.

But as desired in your letters No.1472/muz.696-15-2 dated 2nd January 1918 and No.1533/muz.696-15-4 dated 19th November 1919, a list of arrears due to the vrittidars from 1886-87 to 1917-18 was prepared and submitted with certain other information called for.

On a reference to the connected file of old papers on the subject, it is seen that Sahasrarama Lakshmi Narasimha Char, has been paid the arrears of Vritti amount due to him from 1886 to 1894 Viz.Rs. 468-11-5 as directed in G.O.No.797-8/M.F.31-94 dated 25th December 1898 and the fact has also been reported to Government in this office letter No.274 dated 18th December 1909

Respected Sir,

With reference to the Muzrai Superintendent's endorsement No. 3197 Muz. 606-15-13 dated 19th March 1921 informing me that the Deputy Commissioner, Mysore District, has been requested to prepare a bill for my amount for 6 years from 1886 to 1894, I beg to state that the Deputy Commissioner, Mysore District, has favoured me with an endorsement to the effect that the amount due to me for those years has been already paid to me in the shape of advance and hence no more amount is due to me. The question of payment for the remaining period i.e., from 1894 to date is still pending and is unsettled. It seem to have been with-held in my case also because other claimants of the Vritti have not cared to apply or satisfy the conditions. In this connection, I beg to bring to your kind notice that I have strictly complied with the Government Order, built house in the approved manner and am living in it at Seringapatam. Whatever the position of others I am entitled to my share of the cha according to the rules. To make me wait or loose because others have not cared to apply for the shares would be a great hard-ship for me. am a very old man and my life is uncertain. I have two children, the elder of whom is ill educated and has to entirely depend on this and hav to bring up the younger boy also.

I, therefore, humbly request that Government may be graciously pleased to take a more liberal view of the question and treat my c separately and order payment of the whole amount due to me for the last 6 years.

I further beg to submit that I am only asking Government to dole out to me what a charitable man (Raval Krishna Das) has in the granted for a few poor people like myself.

Awaiting the favour of an early disposal of the above

I beg to remain
